# **Italy From The Inside - The Definitive Survival Guide for Travelers - Italy Guide Book about Italian Culture**

So you've read all the guidebooks. You know where to go, what to see, and what to eat. But what about the everyday situations that leave non-Italians so perplexed?

With humor and plenty of "real life" photos, this handy volume will get you ready for your trip like no other guidebook can.

This eBook contains more than 350+ tips and 190+ original photos to help you navigate Europe's classic destination like a local.

Italy from the Inside is a wonderful companion to any traveler. Packed with helpful tidbits on everything from navigating the grocery store to finding affordable and unusual accommodations, this eBook offers a fascinating and often humorous look at Italian life that is uncharacteristic of other travel guides. Whether you are planning your first trip to Italy or a seasoned traveler, you will feel like you have an Italian friend guiding you every step of the way as you explore this extraordinary corner of the world. Grazie, Francesca!

Italy From The Inside focuses on cultural insights and take-along info to make your trip high on enjoyment and low on frustration. Traditional travel guides are valuable resources to help you plan places to visit, to lodge and to eat. But if your goal is to visit Italy and don't feel just like another tourist, then Italy From The Inside is for you.

Written by a travel-savvy Italian and enriched with 190+ original photographs of "real life" situations, this eBook will help you travel in Italy as if you'd lived there for years. Synchronize yourself with the Dolce Vita, avoid unnecessary cultural pitfalls, get ready to immerse yourself in a fulfilling travel experience that will make you feel like a local.

My husband and I will be visiting Italy and the book has already become an invaluable resource after one day.
