"Stan Grist's resources for treasure hunting, gold prospecting, metal detecting and exploration."

Hi there, my name is Stan Grist. Welcome to StanGrist.com, my web site of Adventures Into The Unknown! I look forward to sharing my life's adventures with you which include the pursuit of gold, raw diamonds, lost cities, buried treasure, ancient tunnels, sunken galleons, meteors, unexplained mysteries, unknown animals (cryptozoology). For the latest adventure info, please join my new newsletter with details at the bottom of this page.

If you didn't have to go to work everyday and could afford to travel anywhere in the world to discover gold, ancient treasure or a lost city, where would you want to go and what would you hunt for? If you have not yet heard of me, simply type "Stan Grist" into any Internet search engine and take a close look at your results. You'll see that I have been around for a long time. I'm regularly called a "Lucky Dog" by those who know me. Many of them have asked me how they can achieve the same lifestyle. I can honestly tell you that luck has nothing to do with my success; it has everything to do with my unique system. You can leave the rat race behind, live a life of adventure and freedom plus earn a great living at the same time - I did and I will show you how to do it step by step with my epackage "Creating Wealth Through Adventure with the Stan Grist System" Click here to find out more about my new system or to download it right now.

Gold diggers can start their own gold rush and cash in on the current high gold prices with my gold prospecting and metal detecting packages. Seeking a real adventure in Ecuador? I'll reveal how I discovered millions of ounces of Inca gold and...
